HAVANA, April 25 .- The Southern Pacific steamer Chalmette, which has arrived here from New Orleans, reports miles out, she met the Australian cruiser Sydney, which stopped her by a sho

The cruiser sent an officer on board the Chalmette, who examined the ship's papers and passengers, and then per-mitted the steamer to proceed with-out offering any explanation for the

TURKS REPORT BRITISH LOSSES AS ABOVE 3,000

CONSTANTINOPLE, April 24, tacked the Turkish positions a Felahie, on the left bank of the Tigris, Felahie, on the left bank of the Tigris, Saturday, with half a division of troops. After two hours of bayonet fighting, says the statement, the enemy was obliged to retreat to his own trenches, with a loss of 2,000 dead.

All told, it is declared, the British losses in Saturday's fighting on the Tigris amounted to more than 3,000, while the Turkish losses were insignificant.

**FUNSTON TO TAKE** ON BRITISH COAST PART IN MEETING

in hiding in vicinity of Nonoava. LONDON, April 25 .- A fleet of Zeppelins visited the eastern counties last night, dropping incendiary bombs, according to he official announcement.

No Americans, however, it was pointed out, are operating in the territory beyond Parral.

A quantity of detachable railroad wheels, which can be fitted over the rubber tires of a motor truck, arrived here today. It is planned to equip some of the truck trains operating from here with these wheels for experimental purposes, and if they are proved practical to convert the various trucks into locomotives for use on The conditions were ideal for the Zepthe atmosphere clear. There was a light southwest wind, which had generally been rucks into locomotives for use on railroads where possible. considered unfavorable for Zeppelins, but it was little more than a mild breeze and any threat of a storm which it might

Do Not Expect Withdrawal.

Do Not Expect Withdrawal.

A belief is general here among military men that the proposal to with draw the American forces to the dissouth of the border, which has been given more than passing consideration recently, will not be carried out. It was asserted that such action could afford the American government no assurance that the troops of the de fact government are capable of protecting the border after complete withdrawing in plans no further troops will be sent into Mexico, Gen. Pershing now being regarded as ample to cope with the situation. The two remaining aeroplanes of the eight originally used for expeditionary purposes have been shipped, it was stated today, to San Antonio for condemnation.

Lieut. Col. Tyree Rivers, who has been seriously ill with pneumonia at the field hospital in Colonia Dublan, was brought here today, his condition having improved. He said he plans going to El Paso preparatory to applying an border at the representation of the control remaining aeroplanes of the eight orig-inally used for expeditionary purposes have been shipped, it was stated today, to San Antonio for condemnation. Lieut. Col. Tyree Rivers, who has been seriously ill with pneumonia at the field hospital in Colonia Dublan, was brought here today, his condition having improved. He said he plans go-ing to El Paso preparatory to applying for sick leave.

Conference Now Arranged on the Mexican Situation

**Holds Official Attention** Official attention today was focused any statement, it is said. Later he

on a conference regarding the Mexican may situation to be held within the next few Gen. Scott, chief of staff of the United States Army, and Gen. Alvaro Obregon minister of war of the de facto governprobably will depend further steps in the pursuit of Villa and the relations between the American and Mexican

## The U.S. Patent Office Says It's a New One

And has issued a patent covering both the form, and the method of manufacturing

## New Post Toasties

You, too, will say it's a new one when you open your first package and try a handful of the flakes before adding cream or milk. That's just what we want you to do.

Don't remember of any manufacturer of old-style "corn flakes" inviting you to such a test, do you? Guess not. The old-fashioned kind had to be smothered with sugar and cream to make a flavour, but New Post Toasties are different and better-have the full, true taste of the grain—and the test tells.

Look at the flakes carefully. Notice the tiny bubbles on their surface. The quick, intense heat of the new art of toasting not only produces the bubbles, but a quality of corn flake unequaled for smacking goodness.

New Post Toasties have "substance"; they do not "chaff" or crumble in package; unlike common corn flakes, they do not lose their crisp texture after the package has been opened a day or two; they don't mush down when cream or milk is added, and they are wonderfully delicious.

The first package proves that New Post Toasties are
